

David S. Dubin

Business Address:
School of Information Sciences
University of Illinois at Urbana-Champaign
Champaign, IL 61820
Phone: 217-244-3275
WWW: <https://cpanel.ischool.illinois.edu/~ddubin/>

Education

Ph.D. Information Science, 1996, University of Pittsburgh.

M.S. Library and Information Science, 1990, Drexel University, Philadelphia, PA.

B.S. Humanities and Communications, 1988, Drexel University.

Employment History

University of Illinois at Urbana-Champaign, School of Information Sciences. Teaching Associate Professor, Since August 2017.

University of Illinois at Urbana-Champaign, School of Information Sciences. Research Associate Professor, August 2007 – August 2017. Research Areas: foundations of information representation and encoding; resource description and knowledge representation.

University of Illinois at Urbana-Champaign, Graduate School of Library and Information Science, Information Systems Research Laboratory. Senior Research Scientist, August 2001 – August 2007. Specialist in electronic publishing, information retrieval, data analysis, and visualization. Teaching areas: data analysis and information processing.

University of Illinois at Urbana-Champaign, Graduate School of Library and Information Science. Assistant Professor, September 1996 – August 2001. Teaching areas: information organization and access, information storage and retrieval, data structures, library automation, document processing, networked information systems, research methods.

University of Pittsburgh, Department of Information Science. Teaching Fellow, September 1995 – August 1996, January 1995 – May 1995, January 1994 – September 1994, May 1991 – August 1993. Teaching areas: information retrieval, online searching, behavioral models, human information processing, systems analysis.

University of Pittsburgh, Department of Library Science. Teaching Fellow, May 1995 – September 1995. Teaching area: microcomputer applications.

University of Pittsburgh, Department of Information Science. Visiting Lecturer, September 1994 – December 1994. Teaching area: information storage and retrieval.

dh Molde College, Molde, Norway. Research Fellow in Computing Science, August 1993 – December 1993. Teaching area: human information processing.

University of Pittsburgh, Department of Library Science. Adjunct Instructor, September 1992 – December 1992. Teaching area: microcomputer applications.

University of Pittsburgh, Department of Information Science. Graduate Student Assistant, September 1990 – May 1991.

Drexel University, Philadelphia, PA, College of Information Studies. Graduate Assistant, September 1988 – June 1990.

Delaware Valley Transplant Program, Philadelphia, PA. Cooperative Education Intern (technical communication), November 1984 – June 1987.

Ph.D. Committees as Research Director

Larry S. Jackson (Library and Information Science, University of Illinois at Urbana-Champaign, 2009) *Website Structure*.

Ph.D. Committees as Reader

Karen M. Wickett (Library and Information Science, University of Illinois at Urbana-Champaign, 2012) *Collection/Item Metadata Relationships*.

Jin Ha Lee (Library and Information Science, University of Illinois at Urbana-Champaign, 2008) *Analysis of Information Features in Natural Language Queries for Music Information Retrieval: Use Patterns and Accuracy*.

Jun Wang (Library and Information Science, University of Illinois at Urbana-Champaign, 2006) *Computational Approaches to Linguistic Consensus*.

Bei Yu (Library and Information Science, University of Illinois at Urbana-Champaign, 2006) *An Evaluation of Text Classification Methods for Literary Study*.

Qin He (Library and Information Science, University of Illinois at Urbana-Champaign, 2000) *Component Study of Co-Word Analysis*.

Jianhua Dong (Library and Information Science, University of Illinois at Urbana-Champaign, 2000) *Combination of Multiple Web Search Results and its Effect on the Search Performance*.

Damien Guillaume (Astronomy, University of Strasbourg, 2000) *Distributed Information Retrieval, Search and Processing in Astronomy*.

Professional Activities

- Co-Chair, Provenance Patterns Working Group, Research Data Alliance, February 2018 – present.
- Co-Chair, Research Data Provenance Interest Group, Research Data Alliance, September 2013 – present.
- Board of Directors, Classification Society of North America, 2002–2004, 2017–2019
- Co-Chair (with Carolyn Anderson), Annual Meeting of the Classification Society of North America, June 2007.
- Editorial Board, Classification Literature Automated Search Service, Classification Society of North America.
- Local Organizing Committee, Ninth Biennial Meeting of the International Federation of Classification Societies, July 2004.
- Program Committee, Annual Meeting of the Classification Society of North America, June 1998.
- Demonstrations Chair, Second ACM International Conference on Digital Libraries, July 1997.
- Local Arrangements Committee, Annual Meeting of the Classification Society of North America, June 1993.
- Registration Chair, Annual International ACM SIGIR Conference on Research and Development in Information Retrieval, June 1993.
